October 2, 2017

Do you know an amazing woman whose service and commitment to the community is exceptional? How great would it be to have a platform to honor her in front of the community?

South Sound Exceptional Women's Second Annual Awards Banquet is the place to do it!

Our organization - Soroptimist International of Olympia - would like to invite you to join us on **Friday, May 4, 2018** at the Indian Summer Golf & Country Club where we will honor her volunteer service to your organization and the community.

We are looking for your unsung heroes – those who serve outside or within your organization. **You tell us who she is and we will honor her accomplishments and treat her to an excellent dinner.** At this event we will announce your awardee and your organization and Soroptimist International of Olympia will provide a special award for her!

We encourage your organization, the awardee's family, and her friends to join in in honoring her by purchasing tickets to this great event! Dinner tickets are \$70 each and includes social time with hors d'oeuvres, followed by a sit-down dinner and awards presentation.

This is not a competitive process, there is no judging of applications, and no need to nominate – complete the attached application telling us about your exceptional awardee. Deadline for applications is February 1, 2017. We are only able to award one applicant from your organization a year; you will have opportunity to award another – as this is an annual event.

How does this work? You tell us who you would like award, what she does for your organization or outside it, and in what capacity you believe she provides outstanding service within your organization or the community. We will be inviting non-profits, high schools, colleges, and other organizations like yours to bring us those women they would like to honor. **Deadline for this application sheet is February 1, 2017 – or 20 completed applications, whichever is first.**

Ticket sales help support Soroptimist International of Olympia Live Your Dream Educational Award for Women, and other Soroptimist International of Olympia programs.
